

# Your New Identity

## Session Thoughts:

- Write down anything that was new, interesting or helpful to you.
  
- Write down anything that you want to think or talk about further.

## Discussion Questions:

1. “No one comes to faith in Jesus without dying to their former way of life”. What do you think of this statement?
2. Every person who has placed faith in Christ & become a Christian “is a child of God who is filled with the Spirit of God.” To what degree does this identity direct your thoughts, actions & emotions day by day.

**A big hurdle to finding life in the “Child of God” identity is beliefs/ notions about the character of God the Father. In your mind what is God the Father like?**

***Read Luke 15:11-32 and discuss how this parable reveals the character of God the Father.***

3. As honestly as you can allow yourself to be, what has more power in your daily life: the identity declared over you by God the Father or your past/ present circumstances? How can you walk more powerfully in your true identity?

*If you need to talk further about anything discussed tonight your leaders have other resources and are eager to discuss these things with you.*
