

God's Kingdom Will

Session Thoughts:

- Write down anything that was new, interesting or helpful to you.

- Write down anything that you want to think or talk about further.

Read 1 John 2:1-6

These are very strong words. What stands out to you? How does John explain the relationship between forgiveness and obedience?

Where do you fall on this spectrum regarding walking in God's will? Explain.
Have there been times where this was different?
Was there an event or moment when things changed?

Discussion Questions:

1. There are many things that are obvious ethical commands in scripture but many times walking in God's will is not as clear. How confident are you that God is able to reveal his will for your life regarding these less explicit areas.
2. Can you identify the biggest barrier to walking more fully in God's will for your life? What would it take to get past this barrier?

If you need to talk further about anything discussed tonight your leaders have other resources and are eager to discuss these things with you.
