

Trinitarian Balance - Pt.1

Session Thoughts:

- Write down anything that was new, interesting or helpful to you.
- Write down anything you want to think or talk about further.

Thumb through the book of Ephesians and identify different responsibilities or activities that you see different members of the Trinity doing.

Discussion Questions:

1. When you think about your relationship with God, which is at the heart of what Christ died for, do you typically find yourself interacting with “God” in the general sense or with each person of the Trinity separately?
2. Knowledge and trust are two big components to any relationship, even your relationship with God. Do you feel that you understand the responsibilities of each person of the Trinity and trust them to do them? If not, what responsibilities are unclear or what makes it hard to trust?

Next Step:

Continue practicing the learning circle with your group & see if anyone would like to share.

If you need to talk further about anything discussed tonight your leaders have other resources and are eager to discuss these things with you.
