

God's People Gathered

Session Thoughts:

- Write down anything that was new, interesting or helpful to you.
- Write down anything that you want to think or talk about further.

Read Philippians 2:1-8

**In a broad sense what is Paul encouraging these believers toward?
What is the foundation of humility and until within Christian
relationships?
What would this sort of “oneness” look like between a group of
people?**

Discussion Questions:

1. Have you ever experienced relationships within Christianity that compare to what Jesus is talking about?
2. It seems as if relationships like this are fairly uncommon even within the church. What do you think are the greatest barriers to relationships like this?

If you need to talk further about anything discussed tonight your leaders have other resources and are eager to discuss these things with you.
