

Trinitarian Balance - Pt.2

Session Thoughts:

- Write down anything you want to think or talk about further.

Read the following texts. Define specific roles & responsibilities that you see and, if possible, their corresponding “results”.

Matthew 6:25-33:

John 6:38-40:

Colossians 2:13-15:

Galatians 5:16-23:

Discussion Questions:

1. Which of these trinitarian responsibilities are easier for you to trust in? When in your life have you seen a member of the trinity playing one of these specific roles?
2. Which are more difficult trust and why? Are there any direct affects on your life from this difficulty to trust and interact?
3. Often times we “know” the Trinity’s roles in our life but we don't take time to directly apply what they have done or have promised to do to specific areas of our heart and mind. What areas of your life need this sort of direct application?

Next Step:

Continue practicing the learning circle with your group & see if anyone would like to share.

If you need to talk further about anything discussed tonight your leaders have other resources and are eager to discuss these things with you.
