

# The 5 Practices RECEIVING

## Recap & Session Thoughts

- Discuss how the past few weeks have gone in regards to intentional times of REFLECTING & RELEASING.
- Write down and discuss anything that immediately caught your attention in the video.

REFLECTING RELEASING **RECEIVING** RESISTING RESPONDING

## Discussion Questions:

1. What does it look like in day to day life to allow Jesus to be the Good Shepherd and you be the sheep; to allow Him to be the Vine to which you are RECEIVING life from and the Potter who is shaping your life and future?
2. What is an area of your life that you committed to let God lead in the past and then seen him be faithful to provide? In what particular areas of your life do you find it difficult to consistently follow God's direction and leading?
3. What are some specific things you would like to RECEIVE from the Lord right now. Pray for them together as a group. First acknowledge the goodness of the Lord's will over your own and then specifically ask him for the things you need?

## Next Steps

RECEIVING and being a type of person who understands their deep need for the Trinity in every area life is something that takes time to grow in. It is not merely something we decide to do it something we consistently decide to do as the Spirit reveals places where we don't allow him to lead. Take time this week to verbally affirm Jesus as Shepherd, Vine & Potter and ask him to reveal places where you have a propensity to get ahead of him.

*If you need to talk further about anything discussed tonight your leaders have other resources and are eager to discuss these things with you.*
